

ANGELO GABRIEL B. PANES

Angelopanes4@gmail.com | 09273723779

IT SUPPORT | ICT | WEB & GRAPHIC DESIGN

PROFILE

Adaptable 4th-year IT student with a strong blend of front-end web fundamentals and hands-on computer hardware and technical support knowledge. Demonstrates a strong work ethic, high coachability, and readiness to integrate seamlessly into diverse team cultures. Eager to leverage technical problem-solving skills and a willingness to learn to add immediate value to the organization.

PROJECT EXPERIENCE

Frontend Developer & UI/UX Designer

SheEssentials – Payroll Management System

- Designed the web for the Payroll System in SheEssentials.
- Worked with the team on system features, database integration, and troubleshooting.
- Developed core modules, including employee payment records, document requests, and salary management.

UI/UX Designer

QCU E-Commerce – Web application for QCU essentials & tools

- Designed complete visual layouts, wireframes, and interactive prototypes using Figma.
- Developed intuitive user flows and UI components tailored to improve navigation for university students.

UI/UX & Game Asset Designer

The Pawn's Quest – An RPG Chess Puzzle Adventure

- Conceptualized and designed interactive game screens, HUD elements, and menu layouts using Figma.
- Crafted distinct visual assets, puzzle interface components, and player navigation flows.
- Prototyped interactive logic and tested user experience to ensure smooth puzzle mechanics.
